

We solve problems

WPS 2000

A unique air saw uniting the best of **usability, quality and power**

Art.-N° 120010

Tech. Data
 Working pressure: 6 bar
 Power output: 310 W
 Stroke frequency: 12.000 1/min
 Stroke: 8 mm
 Air consumption: ca. 0,27m³/min
 Sound pressure level: 81,4 dBA (ISO 15744)
 Acceleration: 24 m/s² (ISO 8662)
 Length: 220 mm
 Weight: 810 g

W+S High Quality Saw Blades

Art.-N° 197000

14 tpi - for wood, aluminium, compact material and plastic

Art.-N° 197001

18 tpi - for tight radius curves

Art.-N° 197002

24 tpi - for double and triple skin up to 4mm

Art.-N° 197003

32 tpi - for sheet metal and highstrength-steel up to 1mm

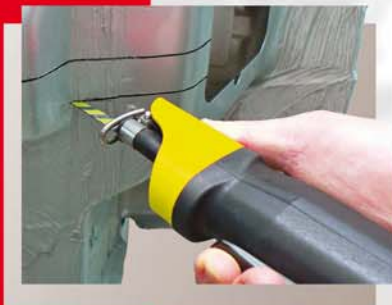

Art.-N° 197010

Diamond saw blade for carbon materials

Content of delivery:
 1 x Saw WPS 2000 pneum.
 1 x Exhaust air hose 800 mm (assembled)
 4 x Saw blades (14tpi, 18tpi, 24tpi and 32tpi)
 2 x Mounting tool
 1 x User's guide
 1 x Carrying case

WPS 2000 - air saw with 100 % power

WPS 2000 - top quality and durability

WPS 2000 - the air saw for daily use on car bodies
